SONG CIRCLE CHORD SHEET

# Release the Excess Thoughts

Words and music by Brandon Pearce

| | |
|---|---|
| KEY | G major |
| FIRST NOTE | G below middle C |
| FEEL | 4/4, half note = 66 |

## VERSE

Two bars per line: | G | C |

1
G C
Release the excess thoughts,
G C
the worry, stress, and strategizing,
G C
the thinking you don't have enough.
G C
Remember that you are enough.

## HOW IT GOES

Intro: | G | C | G | C |

Verse, then chorus

Sing the chorus again as many times as feels good.

## CHORUS

One chord per bar: | G | D | C | C |, twice

G D C
Oh, feel — it, — I have enough.

G D C
Oh, feel — it, — I am enough.

## SINGING IT

Each verse line starts with a quick G pickup: "Re-," "the," "the," "Re-."

"Thoughts" starts half a beat before the C chord.

"Feel" is two notes, D then G. "It" lands on F# right as the chord changes to D.

"I" comes on the last beat of the D bar, and "have / am" lands right on the C.

"Oh" is a pickup on the last beat before each chorus line.

In "strategizing," the third syllable stretches a little: strat-e-**giiz**-ing.

## GUITAR SHAPES

**G** 320033 **C** x32033 **D** xx0232

The C is the Cadd9 shape, so the top two strings stay put from G. Fingerpick: thumb on 1 and 3, fingers on the off-beats.
